

### Our Mission

The God-given ministry of Learning Tree is to lead young people to Christ and train them in the Bible, Christian character, language, and traditional subject matter. To teach our students the accumulated wisdom of the past from God's point of view and train them in the way they should go, so they will have a firm foundation from which to evaluate the present and make proper decisions for the future.

- ◆ Infant & Toddler Sign Language Curriculum is taught in all of our nursery rooms starting at 6 months of age
- ◆ State of the art Mac Computer Lab for your little one to learn typing skills, and enhance reading skills in an exciting new way
- ◆ Two State of the Art touch screen security points with HD video cameras in every classroom streaming back to our directors office for constant supervision

## Learning Tree Children's Academy Curriculum

We use a non-denominational, Christian based curriculum used by private schools and home school parents across the U.S. Our program is organized, systematic, and sequential to assure adequate coverage of all material. Our learning system is workbook oriented with individual workbooks for Reading Skills, ABC-123, Writing with Phonics, Art Projects and Bible Activities. Every child in each class has their own workbook for all subjects to guarantee optimal learning.

## Meals

A trained nutritionist and kitchen staff serves a complete breakfast, full hot lunch and afternoon snack. School-age children are served a full menu in the summer and an afternoon snack during the school year.
